CALL TO WORSHIP: SCOTT

QUARTET Insert We Walk In Love

CALL TO CONFESSION AND COMMITMENT –repeat as in wedding vows

Pastor: The means by which we live
have outdistanced the ends for which we live.
Our scientific power has outrun our spiritual power.
We have guided weapons and misguided people.
We must re-create our capacity for creative compassion.
Compassion for ourselves and for others.
“Don’t get weary children!”
Compassion for all whose backs are against the wall.
“Don’t get weary, children!”
Every person must decide
whether to walk
in the darkness of destructive self-centeredness—
Or in the light of creative empathy!
Every person must decide
whether we are going to settle
for merely saying that God exists,
Or are we going to live our lives
like God actually does exist?
Amen.

Prayer of Dedication -- repeated as in wedding vow

Here in the busy city
Now let the church be seen
Where lesser gods are worshipped
In money and machine;
Where news is but sensation,
The Good News hardly heard.
Now let the church take action

In living out the word!
Here in the busy city
God walks on every street
In generous or greedy,
The honest or the cheat,
And daily we must offer
The good that goes unpriced
With vigour and with vision
The lifestyle of the Christ.
